

# STAR Theme: Enquiry Based Learning

Heather Wilkins, Kiefer Lee & Claire Craig

- Skill development underpinning autonomy
- Contextualisation of skills
- Authentic learning

Systematic review of literature, tapping into work by students around EBL. More research required regarding: links between autonomy, assessment and EBL.

Array of terminology – PBL, Learning through enquiry

## Next steps

- meeting with faculty project
- defining our pathways
- deciding on the focus

Sharing best practice in developing and delivering enquiry based learning guidelines for operational discussion.

Guides written by students and staff for staff. Guides created by students for students.

## Our Journey Begins

- Broad Literature searches
- Learning about each others perspectives
- Hearing the voice of staff and students.
