

Higher Education at Work

Wednesday 23 April 2008, Trinity Centre, 24 Cambridge Science Park, Milton Road, Cambridge CB4 0FN

This event is designed for anyone involved in the planning, development and delivery of work-based higher education qualifications, including Foundation Degrees.

The day will consist of presentations and workshops on providing appropriate approaches and responses to employers, managing work-based learning and designing work-based programmes that will be attractive to both employers and potential students.

Delegates will be able to work together on finding solutions based on best practice.

This event is appropriate for Higher Education managers, Deans of HEIs and Principals of FE, training managers, representatives from Sector Skills Councils and employers from large to SMEs.
