

Investing for Success Conference 2009

Monday 30th March 2009

VENUE: The Walkers Stadium, Leicester TIME: 9.30am - 3.30pm

The Colleges-University of Leicester Network is pleased to announce details of the Investing for Success Conference 2009. The conference will provide delegates with key information to develop successful foundation degrees or accredited courses.

Keynote Speaker Louise Woodley

Personnel Manager, A-Level Options, Foundation Degrees and Students

Louise will be sharing Tesco's experience of setting up and implementing a foundation degree for Tesco employees.

The conference will offer workshops that will give you the necessary tools to set up or manage a sustainable and successful accredited course or foundation degree.

Workshops

Funding: support for your institution

Marketing: techniques to keep you ahead of the game

Partnerships: working effectively with employers

Course development: tailored education for your clients' needs

Flexible learning: training geared to the modern workplace

Student support: understand the needs of your students

Register for your place at this free conference by Friday 20th March 2009.

This conference will be of interest to:

- FE providers
- HE providers
- Training providers
- Information and guidance practitioners
- Employers (particularly management and HR staff)
