

Have you ever thought of a career in the Further Education sector?

If the answer is no, then the next question is, why not?

The **Further Education (FE)** sector is a diverse, exciting sector that includes FE colleges, sixth form colleges, offender learning, training departments of emergency services and independent training providers, offering a vast range of vocational (including apprenticeships) and academic programmes. FE also offers excellent opportunities for **career progression** from teaching into management positions.

Are you passionate about what you do? If the answer is yes, then why not share that passion and help make a difference to the lives of others?

We are excited to be able to offer you the opportunity for a **paid placement** in an FE organisation. The placements are open to **final year undergraduates and post-graduate students**, and are funded by the Education and Training Foundation.

How will the placement work?

- ▶ We are looking to recruit 20 final year undergraduates or postgraduates.
- ▶ We will match you with an FE organisation.
- ▶ The placement will be 40 hours during March to May 2018.
- ▶ It will include an induction to the FE organisation, assisting with teaching and enrichment activities and much more, giving you a real sense of what it's like to work in the sector.
- ▶ You will have a mentor to support you throughout the placement, and we'll offer a pre-placement workshop to help you get the most out of your experience.

What's in it for you?

- ▶ Opportunity to obtain the skills and Knowledge you will need to pursue a career in FE.
- ▶ Opportunity to increase your employability skills.
- ▶ £300 towards travel expenses.
- ▶ Valuable work experience and networking opportunities.
- ▶ CV credit.
- ▶ Introduction to a vast, diverse and exciting sector.
