

### *A professional development programme for Wipro STEM Teacher Fellow and Teacher Mentor alumni*

This course is an opportunity to build on Wipro STEM learning. We will explore the knowledge, skills and behaviours associated with effective STEM leadership.

All participants will be supported to develop their leadership skills via school-based activity throughout the course, culminating in a small-scale leadership project. Participant learning will be disseminated via publications and a celebration event in Summer 2023.

#### *Application timeline*

##### **Drop-in information event**

Wednesday 8 June 2022, 3.45pm-4.45pm
