**Confused
about what
your next
study steps
are?**

**Need help
working out
your career
options?**

**Our Higher Education
Progression Advisers
are here to offer
expert careers advice
and guidance if you
(or someone you
know) needs it.**

Call us if you need impartial advice on your options after school, sixth form or college, or if you need help deciding which higher education route is right for you.

Our phone line is open on the first Wednesday of the month, 3-5pm

The Advice Line is available for students, parents or carers, adult learners and school and college staff.
