Dear Colleague,

You are invited to register to attend this free event, jointly hosted by *Leap Ahead*, the LLN for Derbyshire & Nottinghamshire, Higher Futures, the South Yorkshire LLN and YHELLN, the Yorkshire & Humber East Lifelong Learning Network.

The event is aimed at those working in Lifelong Learning Networks and/or involved in JISC HE in FE projects and is intended to bring people together who are interested in the areas of eSystems and ePortfolio development. This is an ideal opportunity to explore common practice and the challenges in implementing and embedding these systems.

Places are limited and bookings will be made on a first come, first served basis. To reserve a place, please complete the attached registration form and email it to [r.longstaff@shu.ac.uk](mailto:r.longstaff@shu.ac.uk). Alternatively post it or contact Rachel Longstaff directly on 0114 225 3626.
