

# Learner Progression Conference

This event was organised in order to allow students to gain an insight into a wide variety of Health & Social Care careers and the routes in, by participating in activities, workshops and by meeting with professionals from the different areas.

There were representatives from Nursing, Probation Service, Social Work, Counselling, Physiotherapy, Podiatry, Operating Department Practice, St Johns Ambulance, Occupational Therapy, Social Care, Paramedics, Radiology/Oncology and Routes into Higher Education.

“Really interesting and there was a lot of insight on the courses”

“Excellent event- very informative and well organised”

**250 + learners attended  
this one day  
conference, with input  
from health and care  
employers.**

The audience was drawn from contacts across the Higher Futures Information, Advice and Guidance (IAG) team and sector development specialists. Students and staff attended from all of our partner colleges.
