## Building Pathways HE in FE Database

## Evaluation form for Advisors

This questionnaire is designed to assess you reactions to the HE in FE database, gain some information from you about how you have used it, and also how you think its functionality, layout and or content could be improved.
Your feedback matters to us, so please take your time over this form, and be as honest and open in your answers as possible. **All the information will be treated with strict confidence.** Thank you for your assistance
